All About Santa Claus.

By Lydin Maria Child

and every other form on them a living spirit. The Spirit they placed above alf-exters, beody was so splendid, and this doings all glorious. On the 25th of December of the spirit was sufficient with song states was

Santa Claus has an origin much less ancient han the featival which keeps him so busly mployed; but his history goes far back independent of the ancient time, and is, like many others, a ingular mixture of truth and fable. A child amed Nicholas was born at Panthers, in Asia finor, some four or five hundred years atter he birth of Jeaus. His parents, who were rich and of high rank, were converts to Christianis. This son was born to them many years after their marriage, and they received him saan newer to their many payers. They washed a express their gratitude to God by ducating him for the Christian priest-cood, and the unusual sobriety and thought-incose of his boylood contrined them in that urpose. While he was yet a lad, both of his result of the solutions of his boylood contrined them in that urpose. While he was yet a lad, both of his result of the payers of the first his payers of the first his different payers. The second is a second consider the riches as his own, but as a tered trust. Placed in his hands by the Heavily Father. He fed the hungry, clothed the activities of his payers and be considered slaves, endowed poor madens with marriage portions, supported and educating the intertable works, as secretly as possible, as priest, he was greatly loved and reverenc-

nabits of secret benevolence; and never had he such a charming variety of things wherewith to fill the mysterious stocking as he has this The tried to evade the point by asking way such the tried to evade the point by asking way such a question o him. "Because, if you do not want to marry me, you must stop coming to see me. No mucking-bird around the redbreast seek, you know." Robert took the hint, and with a cool good-night walked hone. What should be care for such a girl so rude as that? Good company as hers elsewhere, He would join the club next day. He tried to sleep, but couldn't. He didn't like the turn things had taken. The flure plaqued him. He afterward learned that the birds were for a recovery of the \$200, on the club make keeping away from such a fitting partner? "At any rate, one thing is certain. Edna is smart and she is pretty; he said to himself, "and she means business." The next morning Robert went to the counting-room. It was a long day. Business had dragged. Everybody was proccupied, hurried, cross He was glad to go horne, only it warn't home He took a book, hut found himself trying to read the coals in the grate and figures on the wall instead of the page. He threw himself wall instead of the page.

He was glad to go home, only: t warn't home to cook a book, but found himself trying to read once a year at least for a class of mrn out to cook a book, but found himself trying to read once a year at least for a class of mrn was in the cook a book, but found himself trying to read once a year at least for a class of mrn was in the cook a book, but found was a wall, but and walked down to the Widow Craigie's. He stopped up to the door as usual, but Edna was engaged. He asked to have her called. It seemed a nouth before she came down. At garged. He asked to have her called. It seemed a nouth before she came down. At garged. He asked to have her called. It seemed a nouth before she came down. At garged. He asked to have her called. It is seemed a nouth before she came down. At garged. He asked to have her called. It is seemed a nouth before she came down. At garged. He asked to have her called. It is seemed a nouth before she came down. At garged. He asked to have her consistent will you be my which a local paper say: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of which a local paper ange: "It takes three of the paper and the paper and the paper of the paper of the paper and the paper of the paper and the paper and the paper of the paper and the paper of t

An Eccentric Giver.

low with nitro-glycerine."

A Philadelphia lawyer addressed the jur
thus:—"And will you convict this man upo
such testimony?" to which one of the juror
esponded, "Certainly not; he is not guitty,
whereupon the Judge fined the juror \$100 fo
'an act of impropriety."

A father lately dropped his daughter and an umbrella from a Jersey City ferryboat into the water. A ferryman rescued the young lady, the old gentleman confining his attentions strictly to the umbrella.

The Rev. Mr. Spurgeon has sufficiently overed from his recent attack of small-postndertake a journey to Paris.

PEABODY VINDICATED -Thurlow Weed sublishes a letter in the New York Commercia ate George Peabody during the rebellion herein gives an account of an interview h and with Mr Peabody during the first your he war Mr Peabody and he halbeen lel t regard the extreme men of both antions a nemies to the United States, but he all that his devition to our Governm and Union was too string the ainful as it was the thought war with our brethren if he were at home lould stand by the Government and tla whatever he could do then and therefor for th Union cause he would do cheerfully. The let by confederate sympathizers in Parlia ment to induce the recognition of the rebe covernment and to destroy our blockade Mr Peabody manifested his devision to the North by zealous efforts in our favor. He authorize t me as I have no doubt he did my colleague Bishop McIlvain to call on him whenever thought he could be of service to our cause To all and there were many English capital ats who applied to Mr Peabody for informa tion relating to confederate loans he pro-nounced them worthless

PLEASANT DRINK -- Moderate drinkers and inditual topers who are not over particular where and what they swallow so that it produces the desired effect will be pleased t tern that a considerable quantity of the ar deat offered for sale is produced from what or termed bur room washings. Internal revenue reports show that in the city of C n cinnati alone 42 000 barrels of saloon washings, valued at \$2 per barrel are redis-tilled and an average of two and one-half gallon per barrel of spirits recovered These washings consist of slops that accumu late in the drinking saloons The slops accu mulated from the higher class of sale tlemen are not expected to drain their glass on, isn't it-drinking other people s slope? Faugh!
